## Poppy Wine Club

### History:

The Poppy Wine Club was formed at the SCRSA approximately twelve years ago. When the SCRSA moved to the TT&CC the poppy wine club became a section of the TT&CC.

### Activities:

We have monthly wine tastings on the third Thursday of the month (or a Thursday that suits the winery) from February till November, where we feature wineries and their wines from all over NZ.

### Wine Trips:

Over the years we have been on Wine Club trips to:

- Waipara wineries.
- Cromwell twice to wineries, Cardrona Distillery and the Lake Dunstan Wine and Food Festival.
- Adelaide and Murray River cruise for three days visiting the Barossa Valley and Adelaide hills wineries.
- Waiheke Island wineries, then travelling back from Auckland to Wellington on the train.
- Sydney to visit the Hunter Valley and take a P&O wine cruise out of Sydney for three days.
- Napier visiting wineries in the Hastings / Napier area before travelling to Masterton to visit wineries in the Martinborough area
- Blenheim visiting the Wairau valley and Nelson wineries
- Christchurch visiting local wineries.
