## **The Members Winning Wall How it awards Entries.**

**The entries are one per day per Member, per product category. As stated on our website, each qualifying product will award an entry ticket and you are given the opportunity to enter.**

**Product categories are broken up into Brands & some into varieties. Once one product is purchased from a category, by a financial member, it would award one entry, however, if that same member purchased products across differing categories, more entries would be awarded.**

### **For example:**

<b>1 x Sauvignon &amp; 1 x Chardonnay =</b>	<b>2 Entries</b>
<b>1 x DB Product &amp; 1 x Export Product =</b>	<b>2 Entries</b>
<b>1 x Sav, 2 x Chard &amp; 1 x Export =</b>	<b>3 Entries</b>
<b>3 x Export Pints &amp; 1 x Export Quart =</b>	<b>2 Entries</b>
<b>3 x Export Quarts =</b>	<b>1 Entry</b>
<b>1 x Monteiths Jug =</b>	<b>1 Entry</b>

**If one Member purchased 6 x Chardonnay's, on the same day, 1 Entry, if three members purchased 2 x Chardonnays each, on the same day, 3 entries are awarded, 1 x entry to each member.**

**The promotion is designed in this manner so as to cut down on the amount of paper produced and as a result of some people not wanting or unable to enter the promotion, although the system will produce an entry form automatically, if required or not and if unwanted, must then be disposed of.**
