

## Highfield Golf Course AGM – Saturday 22 June 2024 4pm TnC Highfield Golf Lounge

### The Future

The long term plan is still to be finalised but it is noted that the Highfield Park project has been pushed out at least 3 years.

There maybe some work done on the Orbell Street access to the west end of the course and some consenting issues to the old top end processed with a view to sub-divide. There will be some further work on the design but at this stage it includes 9 holes. ECAN also have a few proposals to work through with the stormwater side but nothing that affects the playing areas too much. They are still working though what needs to be done to upgrade the sewer but there is a proposed plan with stormwater via dams.

The council are happy to rollover the annual lease and may look at a longer term.

So it looks like business as usual for the next few years, but this should not stop us from having input in the design of the 9 holes in the park
